Spring / Summer 2024

Spring / Summer Collection 2024

Loch Trool and the coast of beautiful Dumfries and Galloway was the location for our recent photoshoot, providing a stunning backdrop for our Spring/Summer images. Our photoshoots are a great opportunity for us to work with those working the Scottish countryside and to see first-hand that, through the generations, the Hoggs of Fife brand is very much appreciated, by those that spend their lives outdoors.

For Spring Summer 2024, we have introduced a range of logo sweatshirts following strong demand, expanding on the recent successes we have enjoyed with summer lighter weight products. Some new, Summer focussed footwear styles including a Chukka and our favourite Banff in a fresh 'coffee suede' shade are added and our popular Perth Felt hat see's the addition of a Merlot colour, as we gradually expand our summer offer.

Thanks for supporting a British Brand.
